WORK EXPERIENCE

ClubZ! Tutoring

Kirkland, WA

Tutor

Sep 2023 - Present

- **Accomplished significant improvement in students' math skills**, as measured by their increased test scores and problem-solving abilities, by employing diverse teaching strategies tailored to individual learning styles.
- **Attained a comprehensive understanding of coding concepts among students**, as measured by their ability to independently create functional HTML projects, by crafting customized lesson plans that catered to varying levels of proficiency.
- **Established strong rapport with students and parents**, as indicated by consistently positive feedback and increased requests for my tutoring services, by fostering an engaging and supportive learning environment.

Pinecone Academy

Bellevue, WA

Assistant teacher

Jun - Aug 2022

- **Empowered students' grasp of coding essentials** by delivering comprehensive HTML, CSS, and JavaScript support, contributing to enhanced proficiency and practical skill acquisition.
- **Fostered website creation skills and adept troubleshooting** among a diverse age group (10-18) through dedicated mentoring, resulting in tangible growth in students' coding capabilities and problem-solving acumen.
- **Demonstrated unwavering commitment** by consistently contributing 15+ hours weekly, showcasing dedication to students' progress.

Babysitter

Kirkland, WA

2016 - Present

- **Provide consistent and attentive care** for children aged 2-12 on a weekly basis.
- **Fostered a welcoming environment** by engaging children in educational and recreational activities, including reading stories, drawing, and painting.
- **Skillfully performed household tasks** including folding laundry and meal preparation, ensuring a well-rounded care approach.
- **Cultivated enduring relationships with families** through reliable and trustworthy caregiving, resulting in ongoing opportunities to provide care.

LEADERSHIP EXPERIENCE

Downtown Kirkland Association

Kirkland, WA

Volunteer

Sep 2021 - Present

- **Exhibited robust leadership as booth coordinator**, optimizing operations in collaboration with peers.
- **Enhanced event achievements** by harmoniously collaborating with diverse teams, including volunteers, staff, and partners.

Pinecone Academy

Bellevue, WA

Assistant Teacher

Mar - April 2023

- **Elevated students' HTML and CSS skills** in a one-month class for ages 8-14, measured by their independent creation of web projects and effective error debugging facilitated by my guidance.
- **Accomplished active learning:** Cultivated engaged learning environment, promoting student participation and self-assurance as they advanced in coding, reflected in increased confidence and problem-solving abilities.
